John Tolley, DOT/PF Planning Director
P. O. Box 196900
Anchorage, AK 99519-6900

Dear Mr Tolley,

I am writing regarding plans, or lack thereof, for a continuous 4 lane highway between Anchorage and Girdwood. As a property owner in Girdwood I strongly support the financing and construction of the unbuilt sections of this highway as soon as possible. The heavy use of this highway and its less than stellar safety record are obvious arguments for its priority.

Thank you for considering this opinion.

Yours truly,

Roger C. Herrera

bcc. Jeff Otteson.
